We are created to worship. *How* we worship is often a point of contention. Contemporary music? Hymns? Is there a balance?

Dr. Mark Greenawalt's ministry as well as his professional life have successfully bridged between the classical and contemporary music worlds in both the religious and secular arenas. He leads a program awarding degrees in worship. By special arrangement, Dr. Greenawalt will share his experience and expertise with us as we develop a worship service.

Bring your voices and instruments!
This will be a hands-on, practical workshop.

Mark Greenawalt, DMA

Chair of Applied Music Studies
Associate Professor of Voice and Worship
Liberty University School of Music
Lynchburg, Virginia
