## Chapter 2/Matching Gift

Every \$1 given = \$2 up to \$150,000

Through Dec. 31

The future of the church is being written now. Will you prayerfully consider being a part of that future. We need more than a little bit extra this month and next, we need 10 times what we normally give in one month for our mortgage. This giving would eliminate our smaller mortgage and would set us up for greater congregational care, discipleship and the future of reaching people. Please prayerfully consider digging deeper than normal and giving beyond what you normally give. Thank you for your support.
